

# AVEKA

**SPECIALISTS IN PARTICLE TECHNOLOGY  
TOLL MANUFACTURING**

**EMPLOYEE OWNED**

## THE AVEKA ADVANTAGE

### INNOVATION

AVEKA engineers and scientists have a wide breadth of experience to deliver truly innovative solutions to your engineered material challenges.

### QUALITY CERTIFICATION

For industrial materials, AVEKA has attained ISO 9001 certification. The delivery of consistent, quality product is our highest priority. For food products, AVEKA has comprehensive food quality programs for processing products to meet your specific needs. Our mission is to provide the highest quality food processing at affordable prices.

### CUSTOMER SERVICE

AVEKA utilizes a project management model where a project manager is assigned to your unique project and sees it through from start to finish.

### TECHNICAL BREADTH

AVEKA has access and expertise to a broad range of equipment and technology capabilities. We have over 30 different unit operations and this number is growing.

### ENGINEERED PARTICLES

Microencapsulation, surface modifications, spray drying, dispersion processing, milling, screening, particle characterization, and more. AVEKA has the know how to get the job done.

AVEKA Group Specializes in:  
**Particle Processing Technology**  
offering contract manufacturing,  
custom research and  
development services

	AVEKA WOODBURY	AVEKA MANUFACTURING	CRESO FOOD TECHNOLOGIES	AVEKA NUTRA PROCESSING	AVEKA CCE TECHNOLOGIES
Spray Drying					
Fluid Bed Drying					
Drum/ Roll Drying					
Tray Drying					
Evaporation					
Jet Milling					
Ball Milling					
Crushing					
Hammer milling					
Cryogenic Hammer milling					
Bead Milling					
Vibratory Screening					
Ultrasonic Screening					
Air Classification					
V-Blending (Twin Shell)					
Ribbon/ Paddle Blending					
Zig-Zag Blending					
Liquid Blending					
Fluid Bed Coating					
Fluid Bed Agglomeration					
Tablet Coating					
Magnetically Assisted Impact Coating (MAIC)					
Spheroidization					
Repackaging					
Prilling / Spray Chilling / Melt Spraying					
Microencapsulation					
Separation & Filtration					
Dispersion					
Characterization Analytical Services					
Jet Milling & Air Class Equipment Sales					
Process Development & Scale-up Services					
Research & Development					
Custom Manufacturing & Partnering					

## AVEKA WOODBURY

**Corporate Headquarters**  
2045 Wooddale Drive  
Woodbury, MN 55125  
Phone: 651.730.1729  
Email: [aveka@aveka.com](mailto:aveka@aveka.com)

## AVEKA MANUFACTURING

279 Woodward Avenue  
Fredericksburg, IA 50630  
Phone: 563.237.5010  
Email: [aveka@avekamfg.com](mailto:aveka@avekamfg.com)

## CRESO FOOD TECHNOLOGIES

717 2nd Avenue SE  
Cresco, IA 52136  
Phone: 563.547.4241  
Email: [crescofoods@aveka.com](mailto:crescofoods@aveka.com)

## AVEKA NUTRA PROCESSING

830 Allamakee Street  
Waukon, IA 52172  
Phone: 563.568.0093  
Email: [aveka@aveka.com](mailto:aveka@aveka.com)

## AVEKA CCE TECHNOLOGIES

7555 95th Street South  
Cottage Grove, MN 55016  
Phone: 651.688.2656  
Email: [avekacce@aveka.com](mailto:avekacce@aveka.com)
